

15/04/2020

Dear Member,

We are very honored and proud to announce that a special discount is offering to Chios Marine Club Members by Lloyd's Maritime Academy for their long distance learning a specified here under.

Lloyd's Maritime Academy, the world's larger provider of professional development to maritime professionals, offers on-line courses in maritime law, management & leadership, maritime safety & the environment, ship manning & operations, surveying & technical and in other fields. Certificate-level courses are three-month programmes offered on-line by highly experienced tutors, members of the international shipping community – no travel required. They include, amongst others, Maritime Law & Shipping Contracts course (commencing on 27 April 2020), Marine Pollution Prevention & Management Course, Sulphur 2020 Course and Shipping Business course (these courses are under the academic direction of Dr. Iliana Christodoulou-Varotsi). The full list of the programmes provided by LMA can be found here: www.lloydsmaritimeacademy.com
Industry contacts of Dr. Iliana such as our members can now benefit from 20% discount for all Certificate –level courses (Code to be used for enrollment purposes: LMACD20).

We are wishing you the very best for Easter Holidays

Best Regards

President

Georgios Tsouris

Gen. Secretary
