### **2023 - ORDINARY GENERAL ASSEMBLY**

On Wednesday, March 29, 2023 the Ordinary General Assembly of the Chios Maritime Club took place at the spacious premises of the Piraeus Marine Club.

Attending members were informed about the actions and proceedings of the association over the past year.

The president of the club Captain Antonis Pitsilos cordially greeted members and presented the administrative report, whilst the treasurer, Mr. Panagiotis Kamarados, presented the financial statements report. Both were unanimously approved by the participants.

Afterwards, proposals for the upcoming actions of the club were discussed. The prospect of improvement in the club's organisation regarding events and generally the ways of the association's development were also discussed.

The president and board of directors warmly thanked the members who continue to support the club and in particular the participants in the Ordinary General Assembly 2023.
