Annual August Event in Chios

(18/08/2023)

Press Release

Chios Marine Club hosted its August annual gathering for Members and Friends in collaboration with EVAT (Association of Vrontados People, Attica) on August 18th at the Golden Sand Hotel, in Karfa of Chios Island.

Our summer event was held in a pleasant and entertaining atmosphere aiming at the reunion of our Members and Friends in their place of origin. The event was introduced and greeted by the two Presidents: Capt. Antonis Pitsilos, president of Chios Marine Club and Mr. Ioannis Gialas, president of EVAT.

The event was followed by a dinner with live music and singing by Mrs. Gianna Fafaliou and Mr. Christos Makrokanis.

We sincerely thank all participants who honoured us with their presence.
