Covid Vaccinated: Yes

Profile

My name is Martha Syrri and I am an Environmentalist-Ichthyologist. I am looking for a job related to the subject because I am interested in the environment and the marine ecosystem.

Education

BSc in Oceanography & Marine Sciences
University of the Aegean, Lesvos, Sep 2018 – Jul 2022

Thesis: Knowledge, opinions and perceptions on the spread of alien marine species in different areas of the seas.

- The survey was carried out using questionnaires to amateur and professionals that work in the sea .
- Assessment of the situation in the ocean and the magnitude of fluctuations in the abundance of alien and native species.
- Study of the distribution of species in the ocean and their impact on the ecosystem, health and economy.
- List of possible ways to deal with alien species.

MSc in Ecology & Conservation Biology
Aristotle University of Thessaloniki, Oct 2023 – Apr 2024

MSc in Shipping Management
St. Thomas Polytechnic, Singapore

Relevant Courses

As part of my undergraduate degree, I dealt with:
